

Chairman's Invitation to Contributory Cocktails and Dinner on 19 September 2009

Dear Fellow GMCite,

You and your spouse are cordially invited to a **Contributory Cocktails and Dinner** between **8 p.m. and 11 p.m. on Saturday, 19th September 2009 at the MIG Club, Bandra East, Mumbai 400 051**. The contribution is **Rs.1200 per person**.

As you may be aware, members of the alumni and the "Friends of the Grant Medical College and Sir JJ Group of Hospitals Trust" (GMC/JJH TRUST) have taken upon themselves the enormous task of restoring the 165 year-old Heritage Building of the Grant Medical College, which is in a state of serious disrepair.

Our meetings with the Government of Maharashtra over the last several months have resulted in a Government Resolution giving the Trust the permission to raise funds and go ahead with the restoration, and a Memorandum of Understanding is ready for both parties to sign. We have organized this function to apprise you of what has transpired and to seek your help and support to raise the considerable funds needed.

This is our *alma mater*, yours and mine, where we spent some of the happiest, most unforgettable days of our lives and where we received the world-class education, which has raised us to what we are today. We have never had an opportunity to repay this debt, but now is the time when we can thankfully do it.

The Trustees and friends of the Grant Medical College and Sir JJ Group of Hospitals look forward to meeting you that evening.

Kindly register at the earliest at one of the following centres:
